## About our Licensee

### Financial Services Guide

This Financial Services Guide ('FSG') is designed to clarify who we are and what we do, and help you decide whether to use our services.

To make things simple, this guide explains:

- the services and types of products we're able to offer you
- how we and our associates are paid, including fees and other amounts that we may charge you
- any potential conflicts of interest we may have
- how we protect your privacy and handle your personal information
- how we resolve disputes, and what you should do if you have one.

Please read through the whole FSG, as it's full of useful information – and is also worth holding on to for future reference. And of course, if you ever have any questions, please contact us.

### Other documents you may receive

In addition to this FSG, when we provide you financial advice we will also present you with a written Statement of Advice (SOA).

This will describe the strategies, products and services we recommend and outline any fees or commissions we will receive and any associations we have with financial product providers or other parties that have not already been disclosed in this FSG.

If you receive further financial advice from us, we will present you with either another SOA or keep our own written Record of Advice (ROA). You can request a copy of this by contacting us any time up to seven years from the date of the advice provided (please refer to the 'Contact us' section of this FSG for our contact details).

We will also provide you with a Product Disclosure Statement (PDS) or offer document for all financial products we recommend, where applicable. This will outline the product in detail, to help you make an informed decision about whether it is right for you.

### Giving us instructions

If you want to make changes to your financial plan or provide other instructions, please contact us (please refer to the 'Contact us' section of this FSG for our contact details).

Generally, you will need to give us instructions in writing (eg fax, email or letter) or another method agreed with us.

We are authorised representatives of **Meritum Financial Group Pty Ltd ABN 93 106 888 215, Australian Financial Services Licence Number 245569** ("Meritum Financial Group") of Level 1, 105-153 Miller Street, North Sydney NSW 2060.

By accepting the terms of a MDA Contract you will be granting your adviser an authority to take action on your investment portfolio (eg, buy or sell investments) without first consulting you.

This will change the nature of the adviser-client relationship.

Normally, your adviser provides you with advice and recommendations supported by research or other information to assist you make an informed decision on those recommendations. Your adviser then implements whatever action you decide to take.

If you accept the terms of an MDA Contract, you will, to some degree depending on the limitations/restrictions detailed in the MDA Contract, provide your adviser with the authority to make decisions on your investment portfolio and to implement investment transactions without consulting you.

The decision to surrender full or partial control of your investment portfolio to your adviser is an important decision.

You should not accept the terms of a MDA Contract provided by your adviser unless you are confident that he/she has a clear understanding of your circumstances, needs and objectives.

The significant risks of accepting the terms of a MDA Contract provided by your adviser are:

- Your adviser may make investment decisions that you disagree with. Provided your adviser's actions are within the law and the scope of the authority you have granted and the adviser has acted efficiently, honestly and fairly, you will have no right of recourse.

This means that you will have to accept the tax consequences, transaction costs and any capital loss resulting from any transaction validly executed by your adviser and any "reversal" of that transaction that you may request.

- If you do not promptly inform your adviser of any changes in your situation, needs and objectives, there is a risk that your adviser may make inappropriate investment decisions.

You may only accept the terms of a MDA Contract where your investment portfolio is held via a regulated platform such as an investor directed portfolio service (IDPS), IDPS-like scheme, superannuation wrap or master trust.

You must accept the terms of the MDA Contract provided by your adviser before he/she can provide you with MDA services. As part of your MDA Contract you will be provided with an Investment Program that complies with Division 3 of Part 7.7 of the Corporations Act and that will contain:

- Statements about the nature and scope of the discretions your adviser will be authorised and required to exercise under the MDA Contract and any investment strategy that is to be applied in exercising those discretions;
- Information about any significant risks associated with the MDA Contract;
- The basis upon which your adviser considers the MDA Contract to be suitable for you; and
- Warnings that the MDA Contract:
  - May not be suitable to you if you have provided limited or inaccurate information relating to your relevant personal circumstances;
  - May cease to be suitable if your relevant personal circumstances change.

Note that your adviser will exercise, on your behalf, all rights that relate to your portfolio arising from corporate actions and communications about your portfolio assets.

The suitability of the Investment Program that forms part of your MDA Contract to your relevant personal circumstances will be reviewed by your adviser at least once every thirteen (13) months unless terminated earlier by you.

This FSG complies with the relevant requirements of ASIC Class Order 04/194 'Managed discretionary accounts'.

## **Corporate Superannuation Fund - Trustee Arrangements**

Where we assist you in relation to a corporate superannuation fund we may receive a payment from the fund Trustee or Administrator, for services we provide to the employer sponsor and/or members within participating corporate super funds. The payment is based on the number of members within the relevant corporate plan.

Where these arrangements are in place, there are some restrictions on the type of advice we can provide you and in some cases we may be unable to provide you advice as to whether to join or consolidate your super into the fund. Where we can provide you with advice we will provide further information about the limitations and any potential Trustee payments in our Statement of Advice.

# How you can pay for our services

You can pay for the services you receive on a fee for advice basis. This allows you to know that you are paying for our advice irrespective of any product you use, clarifies the services you are entitled to, and ensures all recommendations are driven by your needs.

We will agree with you the amount you pay based upon:

- a flat dollar fee;
- an hourly rate;
- the amount you invest; or
- a combination of the above.

You can pay in the following ways:

- as a fee for advice that will be deducted from your investments as a one-off payment or in instalments;
- by direct invoice from us for initial and ongoing advice;
- via commission we may receive from a financial product provider when you commence an insurance contract; or
- a combination of the above.

If you are not already on a fee for advice package, you can move to this payment at any time.

## Other payments we may receive

We will provide you with details of all fees, commissions or other benefits we may receive when we provide advice to you and, where possible, will give actual dollar amounts. If we cannot provide this accurately, we will provide worked-dollar examples.

Even if you don't receive personal financial advice from us, you can still request the details of any fees, commissions or other benefits we receive in relation to any other financial service we provide you.

## Benefits we may receive

Sometimes in the process of providing advice, we may receive benefits from product providers.

## Conferences

We may attend conferences and professional development seminars that have a genuine education or training purpose. Meritum Financial Group, or our employer, may pay for the costs of our travel and accommodation, and events and functions held in conjunction with the conference or seminar.

## Non-monetary benefits

We keep a register detailing certain non-monetary benefits that we receive e.g. benefits valued between \$100 and \$300, and those that relate to genuine education or training and technology software or support. You can view an extract of the register by contacting us. Please be aware that Meritum Financial Group may charge you for the cost of providing this information to you.

## Commissions received by our Licensee from product providers

Meritum Financial Group has ongoing commission arrangements with a number of risk insurance providers. Where you acquire a risk insurance policy issued by MLC, Colonial First State or OnePath, the insurer may pay Meritum Financial Group a commission payment which is based on the increase in new business premiums for risk insurance policies recommended by all advisers within the Meritum Financial Group adviser network. The payments received by Meritum Financial Group will be between 6% and 10% of the increase in in-force premium amounts paid by policy holders to the relevant insurer.

Where you acquire a risk insurance policy issued by AIA, Zurich or Macquarie the insurer may pay Meritum Financial Group a commission payment which is based on total in-force premium for risk insurance policies recommended by all advisers within the Meritum Financial Group adviser network. The payments received by Meritum Financial Group may be up to 2 % of the premium amounts paid by policy holders to the relevant insurer.

As these amounts are calculated in the future, we cannot provide exact amounts at this time; however, as an example, if as a result of services provided to you by Meritum Financial Group, a participating insurance provider receives \$5,000 in premium, then Meritum Financial Group will receive up to \$100 as a commission (2% of the premiums held).

Meritum Financial Group also receives between 0% and 0.37% of total funds invested or between 15% and 40% of the administration fees paid as a commission by some product managers. For example, for \$10,000 of funds under administration where a 0.2% rate is applied, Meritum Financial Group would receive \$20.

The above payments are not shared with your adviser. These payments do not represent an additional charge to you and your adviser will disclose in your SOA insurance products for which these arrangements may apply.

## Distribution allowance

MLC Limited pays a distribution allowance to National Wealth Management Services Limited, a related body corporate of NAB, in respect of the distribution of MLC Limited's insurance products by licensees in the NAB Group (including NAB). This amount is not ascertainable at this time and will depend in part on the value of MLC Limited's insurance portfolio relating to insurance distributed through NAB and its related bodies corporate and the performance of NAB and its related bodies corporate against agreed annual performance criteria.

This allowance is not shared with your adviser, and does not represent an additional charge to you.

## Referrals

If you have been referred to us or we refer you to someone else, we may have arrangements in place to or receive a referral fee, commission, or other benefit.

Details of any arrangement will be provided in our advice to you.

# How we charge for our services

All fees and commissions are inclusive of GST and the fees could be greater than those disclosed below in complex cases. In these instances, we will inform you of the exact fee payable promptly in writing.
